

2022-23 SCHOLARSHIP PROGRAM

ABOUT US

The Delaware Valley Association of School Business Officials (DVASBO) is a regional chapter of the Pennsylvania Association of School Business Officials (PASBO). For nearly five decades, DVASBO has been supporting school professionals in Bucks, Chester, Delaware, and Montgomery counties. The organization currently has over 1,000 members, and we are devoted to providing members with education, training, professional development and timely access to legislative and policy news.

Our membership base covers school professionals working in finance, accounting, operations, facilities, transportation, food service, technology, communications, human resources, purchasing and safety services. While diverse in areas of specialty, all members share a common goal - to support classroom learning in schools during good and bad economic times through smart business practices.
